Wild Flot

Words about wine

Our Team & Sommeliers

We're lucky to have a really engaged team who can & will confidently answer basic queries you may have. We also have two sommeliers; Kevin & Chella, one of which is always present & awaiting your in depth queries & requests.

Corkage

Absolutely fine & encouraged; we charge £20 per bottle & please tell us in advance.

'Natural Wine' & Sulphur

Please enquire regarding wines lower in sulphur dioxide, and lower intervention in general. As a rule of thumb, we buy wines from importers & producers who source & make wine mindfully, but for those wishing to really avoid such things, please ask. There are wines throughout the list that adopt natural / organic / biodynamic processes, but produce finished wines in a classical way; that's what we like & we don't tend to list faulty wines.

Vegan Wine

Vegan wine is extremely common, but certification isn't. We have a huge range of wines that are unfinned & unfiltered, and if that's what you're after, then we'll gladly assist.

Small Parcels

The list evolves constantly & often only one or two bottles will be available. We'll always do our best to mark things as sold, but we apologise in advance if we've only got a bottle or two left of that delicious stuff.

Our Suppliers

We work with literally dozens of suppliers, but special thanks & recognition go to Butlers Wine Cellar, Swig Wines, Keeling Andrew, Flint Wines, Uncharted, A&B Vintners & Hallgarten, all of whom we have been buying from since we opened in 2019.
