

Wild Flor

Exclusive Hire & Private Dining 2022

All prices are based on minimum food & drink spends & do not include service charge

At Wild Flor we have two dining rooms, one on the ground floor seating up to 38 guests & one on the first floor which seats up to 24 guests. Ordinarily, both are used to their capacity during evening services on Friday & Saturday. Minimum spends are therefore calculated on these numbers of seats as follows:

First Floor Dining Room (Private Dining Room)

Seats 24 guests maximum

Peak (*Friday & Saturday Evening*)

£1800 minimum food & drink spend

Off-Peak

(*Thursday to Saturday lunch times / Wednesday & Thursday Evenings*)

£1000 minimum food & drink spend

The Ground Floor Dining Room (Exclusive Use)

Seats 38 guests maximum - The first floor cannot be used when the ground floor is booked exclusively, therefore pricing reflects use of both rooms.

Peak (*Wednesday to Saturday Evening from 6pm*)

£6000 minimum food & drink spend

Off-Peak (*Thursday to Saturday lunch times until 5pm*)

£3000 minimum food & drink spend

Menus

We are happy to discuss bespoke menus for exclusive use of the restaurant. When booking the private dining room, the menu will reflect what is in season & on the menu for the main dining room that evening.

Non-Trading Days

If you are planning a celebration or corporate event when the restaurant is usually closed (Sunday-Tuesday), the minimum spend expectation is the same as the off-peak exclusive use (£3000), although bespoke arrangements can be made.

Pricing is subject to change & terms and conditions
