## Exclusive Hire & Private Dining 2022

All prices are based on minimum food & drink spends & do not include service charge

At Wild Flor we have two dining rooms, one on the ground floor seating up to 38 guests & one on the first floor which seats up to 24 guests. Ordinarily, both are used to their capacity during evening services on Friday & Saturday. Minimum spends are therefore calculated on these numbers of seats as follows:

### First Floor Dining Room (Private Dining Room)

Seats 24 guests maximum

Peak (*Friday & Saturday Evening*)

£1800 minimum food & drink spend

Off-Peak

(*Wednesday to Saturday lunch times / Tuesday - Thursday Evenings*)

£1200 minimum food & drink spend

### The Ground Floor Dining Room (Exclusive Use)

Seats 38 guests maximum - The first floor cannot be used when the ground floor is booked exclusively, therefore pricing reflects use of both rooms.

Peak (*Tuesday to Saturday Evening from 6pm*)

£6000 minimum food & drink spend

Off-Peak (*Thursday to Saturday lunch times until 5pm*)

£3000 minimum food & drink spend

### Menus

We are a seasonal & produce-led restaurant & therefore menus are confirmed & sent out for pre-order no earlier than 2 weeks prior to the booking. Sample menus will be provided before this date upon request.

### Non-Trading Days

If you are planning a celebration or corporate event when the restaurant is usually closed the minimum spend expectation is the same as the off-peak exclusive use.

### Late cancellation & No-Show Policy

We require 7 days notice of cancellation. For exclusive & private dining bookings cancelled within a week of the booking 50% of the agreed minimum spend will be payable/charged.

Pricing is subject to change & terms and conditions
